Deck & Patio Cleaning, Staining & Waterproofing

We can help with the spring clean-up of your deck or patio. As a Thompson's Water Seal Certified Contractor we only use Thompson's Water Seal Products to clean, stain & waterproof your deck or patio.

We can clean your deck or patio to restore the wood's natural color and beauty. We will pressure wash and use The Thompson's Company's complete line of cleaners to remove a variety of contaminants from the wood, composite, concrete, and other surfaces of your deck or patio.

We can stain your deck to add more color while protecting against water and the elements, choose from over 100 solid and semi-transparent tones of Thompson's® Water Seal

We can waterproof your deck or patio to protect your surfaces from the elements and provide the highest level of waterproofing protection available. We can waterproof a variety of surfaces (wood, brick or concrete)
